To Whom It May Concern:

On behalf of Congregation Young Israel Ezras Israel of Potomac (YIEIP), I would like to express my heartfelt appreciation to Yad Yehuda for its myriad contributions to the Greater Washington Jewish Community. I personally am aware of several individuals who, in the midst of very difficult and trying times, were able to keep "their heads above water" because of the moral and financial support they received from this wonderful organization. More importantly perhaps, those who receive its help are treated with the utmost respect and dignity. I wholeheartedly endorse Yad Yehuda and my wife and I are proud to be financial supporters of its avodas hakodesh. We encourage others to do the same.

Sincerely,

Yosef Singer  
Rav, Congregation Young Israel Ezras Israel of Potomac
